

## B-Clean Lens Cleaner 250ml

Powerful cleaning spray for all types of optics. Makes surfaces also anti-static, reducing dust and dirt adhesion, anti-bacterial and reducing reflections. Suitable for work, leisure and tactical use.

Long-lasting pump bottle recommended for repeated cleaning of all Bollé Safety and Bollé Tactical eye protection, including anti-reflective coated lenses. Unique alcohol-free, silicone-free and ammonia-free water-based composition.

Also suitable for other eye protection, goggles, helmet visors, LCD monitors, plasma monitors, screens, tablets and camera lenses, etc. Volume 250 ml. The large bottle is especially suitable for industry and other places where there are many users, or the use is repeated.

We recommend using a good quality cloth designed for cleaning the optics (not included in the delivery) with this product, eg Bollé Safety PACMPCT (B401).

If you want the best possible lens treatment, then treat the surface with Bollé Safety Anti-Fog Spray (PACF030 (B200) or PACF050 (B250)).

Eye protection product certified by COLTS laboratory.

Bollé Safety, founded 1888, is a leading global brand in the PPE eyewear market. Bollé Safety develops products and technologies to protect workers' vision across all activities:

- Industrial
- Tactical & first responders
